SCHOOL NEWS

Kia ora koutou katoa, Greetings everyone!

Kids go flying reward

We nominated two of our Senior students for a 'Kids go Flying' award and both were picked for this opportunity. **Hannah Sinclair** and **Taya Hunt** flew up and down the Paraparaumu coastline yesterday on what was a beautiful day. These two students have been personifying our school values both in and out of the classroom and were very deserving recipients.

Rippa rugby this Friday

We have three Rippa Rugby teams travelling to Tangimoana School this Friday. Notices have gone out with the newsletter today to those students that are involved. Due to the fact that there will be almost 30 students, we will require a number of parents to assist with transport please.

A busy week next week!

As you can see by the list of upcoming events in the column beside this one, week four contains a large number of exciting events. There will be an environmental science facilitator at our school for two days, our House Leaders will be off to the Young Leaders Conference, while our Junior class will travel to a gymnastics event.

This does require a lot of planning but we still manage to fit reading, writing and maths into our school programmes. It is these types of events that cater for the wide range of interests our students possess.

Enrolment clarification for the future

I mentioned in the last newsletter that spots at our school are filling up fast and that there is the real possibility that we will close off the roll, before the end of the year.

The one thing I didn't mention, is the fact that if you already have a child at our school, your younger siblings are guaranteed enrolments for the future. We also have seven new entrant pre-enrolments to come for this year, that have been assured placements.

Daily Cross Country training

Cross country training is in 'full swing' now with our students training every day over differing distances, with a mix of light jogs, sprints and stamina runs being instigated. We run on the Millard's farm every Tuesday and Friday on the 'actual track', that is utilised for our school and interschool cross country. On these days, shoes will come home rather muddy as we do run through some boggy patches.

Friends of School Announcement

We are excited to announce the lucky winner of the Friends of School Wood Raffle:

Congratulations to Charlotte Williams of the Williams family!

A special thank you goes out to the Burr family for their generous donation of the wood, which made this raffle possible. Your kindness and support are truly appreciated.

We also extend our sincere thanks to our entire school community for your ongoing support and participation. Your involvement helps strengthen the spirit of our school and made this fundraising event such a success.

Thank you for being part of this wonderful community!

Great teachers = Motivated students!
