# SCHOOL NEWS

## **Kia ora koutou katoa, Greetings everyone,**

Welcome back everyone! I hope you had an enjoyable fortnight with your children and that they are looking forward to being back with their peers and teachers.

There are lots of exciting events to look forward to again this term with the highlight being the production to be held in the final week.

## **Hangi—Matariki Celebration**

We finished last term with a really successful hangi and Matariki celebration. There was a lot of work that went into the co-ordination of both events and there was also a lot of learning that came out of both as well.

Many thanks go out to Hayden Ellwood for his organisation of the hangi, as well as the great group of parents that came along to school to assist as well. Thanks also to our teachers Lizz and Anna for their work on this project, and to those businesses and individuals that donated items for the hangi.

## **Excellent Parent Interview Attendance!**

Some schools struggle to get their parents along to interviews but that is not the case with our parental community. Thanks for making the time to come along and hear 'first hand' how your child is achieving and how your child is personifying our school values. It really does show that you all care about your child's education and how important it is.

## **Te Kawau Cross Country**

Another great Te Kawau Cross Country this year for a number of reasons, not the least of which was the 'team effort' that was put in to make sure every role was covered. Our students did well, with two golds, a silver and a host of 'top ten' placings. It was also impressive to see how many of our students took up the offer to compete, which demonstrates what great attitudes they have and how loyal they are to our school.

Thanks to all of the parents that were involved in this event, particularly Claire Watson for co-ordinating the 'food side' of things. Also a special mention to Vanessa Millard for being our traffic warden, which aided the student safety of the other schools from our cluster.

## **New hoodies and polos have arrived!**

It is with great excitement that we can advise you that our new school uniform has arrived. This is very similar to our current uniform, but is made of better quality material. These are in our office and orders can be taken now. There is no obligation to buy for now, it will be a 'gradual phase in'.

This competition is for Year 5-6 and Year 7-8 students. The winner of these categories from our school contest, will then go on to this event to compete against winners from the other schools within our cluster.

### **Bainesse School Production**

**Week 10 – Thursday—21st September**

This will be the 'pinnacle event' of the term, as we all look forward to being part of another one of Mrs Reid's awesome productions! This will be held at Manawatu College on the evening of this date. Every student will be involved in this show and as such full attendance is required.
