SCHOOL NEWS

Kia ora koutou katoa,

Greetings everyone,

It's Term Four already and with it will come the warmer weather and very soon, the opening of our school pool. When Phil, our caretaker, decides the time is right to open it up, we will let you know and pool keys will be made available for purchase.

Our students will be counting down the days to the pool opening for sure!

Production a hit once again!

The final week of last term saw our production being held and Lizz Reid once again produced a brilliant spectacle! Our students shone in every way possible, singing and dancing confidently, while showing obvious enjoyment while on stage. Thanks to everyone involved, especially Lizz, our teaching staff and Manawatu College for the loan of their school hall.

If you would like to view the production, there is a link on our Facebook page you can go to.

Red Cross First Aid course

All of our students were given first aid skills relevant to their age group on the final day of last term. Megan from Red Cross was brilliant with our students, and our students were just as brilliant, in taking this course very seriously.

New carpets in every classroom

It was a busy school holiday period in our classrooms with carpet layers putting down brand new carpet. This was all Ministry funded and as such was at no cost to our school. I must say it does look great, and in the Senior room it was certainly warranted.

Summer hockey this term

It's great to see so many new players signing up for Summer hockey this term. If you didn't return your form, please indicate quickly that your child is available to play as I am putting the teams together very soon.

School lunches for next year

Thanks to everyone that filled out the survey form on the night of the production regarding carrying on with the 'lunches in schools' programme. Having taken your feedback and the feedback of our students into consideration, this programme will continue on in 2024.

Agricultural Day entries

These should all be in now. If you didn't return your form, please indicate quickly that your child has an entry (animal and/or garden) so that we may include them in the programme.

Carwyn Caffell/

Principal

TERM FOUR DATES

Labour Day

Week 3– Monday 23rd October

This day is a public holiday and as such school will be closed.

Bainesse School Athletics

Week 3– Friday 27th October

We will hold our school athletics on this Friday. This is a great event to attend as a parent if you happen to be free. Bring your running gear if you would like to take on our students in a sprint race!

Bainesse School Agricultural Day

Week 4– Thursday 2nd November

On this day we will celebrate the care and attention our students have given to their lambs and calves, while also having indoor displays to look at.

Small Schools Athletics

Week 4– Friday 3rd November

Our whole school will travel to Rongotea to take part in inter-school athletics. This is a fun day involving the small schools within our Te Kawau cluster.

School Photos

Week 5– Tuesday 7th November

We will have individual, family, class and whole school photos taken on this day. These will then be available to view online before purchasing.

Te Kawau Athletics

Week 5– Thursday 9th November

A small team of competitive students will be chosen to go to Palmerston North, to take on other competitive students in this athletics event to be held at the Massey University track.

Teacher Only Day

Week 6– Friday 17th November

There will be a Ministry suggested Teacher Only day on this day, and as such, school will not be open as our teachers will be undergoing professional development around the new curriculum.

Whole School Excursion

Week 7– Friday 24th November

All of our students will be involved in a 'day out' that will involve both educational and fun experiences in Palmerston North. On this day we will meet your children in Palmerston North and that is also where they will be picked up (we would like parents to join us for the day too if you happen to be available).

Newly carpeted classrooms & tennis skills!
