SCHOOL NEWS

Kia ora koutou katoa,

Greetings everyone,

Last week our region seemed to be hard hit by both a resurgence in covid numbers, and a form of influenza with symptoms very similar to those related to covid.

Our school, like most others, had a large number of students having to stay home to try and recover.

Hopefully this week everyone will be fully recovered and back into the swing of things before our school cross country this Friday.

Zero Waste Programme

All three of our classrooms were fortunate enough to have had the Zero Waste Programme last week, and lots of great information was shared along with practical activities taking place. These programmes help support our teaching and also aid our students in recognising how they can contribute to looking after our future local and global environments.

Great to see parents on Whanau Day!

It was lovely to have parents in our classrooms observing our students learning and our teachers in action. We hope you enjoyed your time here and that your visit reinforced that your children are in a great school.

Bainesse Cross Country this Friday

This Friday will be an exciting day for our students as they race around the Millard's farm with the goal of completing their races. Some of our students will be looking to 'compete' while others will be looking to 'complete' and one is every bit as important as the other.

If you have time, please come down and support your child as cross country's are physically and mentally testing and kids love having their parents voices there to encourage them.

Te Kawau Cross Country next Thursday

Te Kawau Cross Country day is a huge one for our school as we host the event and there is always a sizeable crowd here at school to cater for.

Friends of School will no doubt be looking for helpers and we would also like a couple of parents to help with the finishing chute if possible.

Although this cross country is reasonably competitive and optional, we encourage as many of our students as possible to take part.

Carwyn Caffell/

Principal

TERM TWO DATES

BAINESSE SCHOOL CROSS COUNTRY

Week 7—This Friday 17th June

This Friday our students will run through our neighbouring farm, up and down hills and back to school. We have been training for this event throughout the term so they will be well prepared.

TE KAWAU SCHOOL CROSS COUNTRY

Week 8-Thursday 23rd June

We will once again run the annual interschool cross country here at Bainesse school. Come and watch your child compete against other children of the same age from other country schools. If possible, help with a number of jobs on the day, from the finishing chute through to the BBQ and food provision, would be appreciated.

MATARIKI PUBLIC HOLIDAY

Week 8-Friday 24th June

The newly instigated Matariki public holiday will be held on this day and as such school will be closed.

BOT MEETING

Week 9 -Monday 27th June

The second Board meeting of this term will be held on this day at 5.30 pm. Everyone interested is welcome.

PARENT/STUDENT INTERVIEWS

Week 10- Tuesday & Thursday ,5th & 7th July

During the afternoon/evening on these two days, we will run parent/student interviews to enable us to update you on your child's academic progress and behaviour.

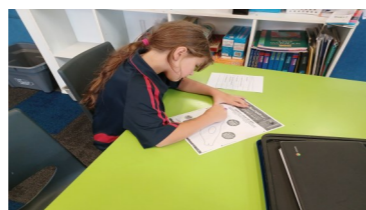

Matariki Public Holiday next Friday

Next Friday is the Matariki Public Holiday, which is the day after the Te Kawau Cross Country. This will enable our students to have a restful weekend after expending some energy.

Staff Car Park

Just a reminder that the staff car park is reserved for staff for a number of reasons, one of the most important being that dropping children off 'up the hill' endangers our students who are running around playing games like tag, building huts, etc.

It is fine to walk your child in and out of school from the bottom car park if they are young and you are concerned about their safety.

Water fun after cross country training!
