SCHOOL NEWS

Kia ora koutou katoa, Greetings everyone!

Here we are at the beginning of what is now the final week of the longest term of the year. It certainly hasn't felt like a long term as it was full of swimming sports, visitors to our school, and numerous other events that keep our students engaged and motivated!

Miss Lambert is going overseas

Our Junior teacher, Miss Lambert, has decided to go to the United Kingdom for an overseas experience. We have watched Anna grow into a wonderful teacher during her time here, and we wish her all the best during her travels! As the saying goes, 'every grey cloud has a silver lining' and in this case it arrives in the shape of Mrs Annie Tatana. Annie comes with a number of years teaching experience and will be a real asset to our school in the Junior Room. We have arranged a transition process that will make the 'swap-over' as seamless as possible.

Waimarino Tough Kids a lot of fun for all involved!

We made the trip to Raetihi last Friday and took a large group of students along. These students had all earned the right to take part, through doing the 'hard yards' during fitness training for the last three weeks at school.

Everyone had fun, with the bonus being that we actually gained a high number of placings for a combined score that saw our school taking our the 'Toughest School' trophy! On top of this whole school award, four students also gained 'top three' placings. Well done to **Leo Ellwood** for his first, **Amie King** and **Lyrrik Wiperi** for their seconds, and **Bobbi-Jo Gavan** for her third.

Huge thanks to those parents that woke up early to get their children to this event, which was very worthwhile!

ANZAC Day Service

Our students have been invited to present again at this year's ANZAC Day service to be held at Rangiotu Hall on Thursday the 25th of April. I will be asking for student volunteers to be part of this group very soon. This is a really important occasion and our students have always performed confidently and proudly at this event. A notice will go out tomorrow regarding this event.

Term Two calendar

The Term 2 calendar has been included with this newsletter. Always keep in mind that dates do change occasionally and sometimes events that look suitable and exciting for our students, are added.

Great things to look forward to next term!

Next term we have a number of initiatives occurring that we are really looking forward to!

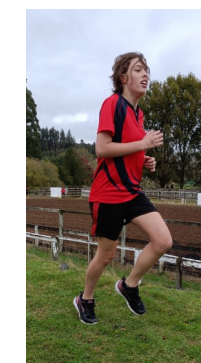

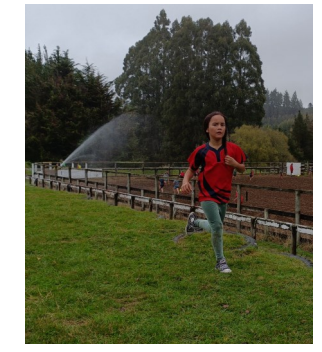

A new astroturf is going in on our court which will be 'stage one' of a 'two stage' process. We will turf half of our court and put in sporting implements which will enable hockey, netball and basketball to be played on a smoother surface.

Our Senior classroom will be getting a furniture upgrade with new desks and chairs going in (the Junior and Middle rooms have had this previously).

Add to these purchases, events which include Manawatu Hockey lessons, a Young Leaders conference, a Duffy Show, Ripa Rugby tournament, a hangi/Matariki performance, gymnastics and multiple cross country events, and you can see it's going to be an awesome term!

Parent interviews are also held at the end of next term and mid-year student reports will also go out. These will give you an update regarding your child's student achievement and behaviour.

Waimarino Tough Kids Action!

Enjoy your time with your wonderful children over the school holidays!
