SCHOOL NEWS

Kia ora koutou katoa, Greetings everyone,

No doubt your children are beginning to look forward to this weeks camp, which should be a really exciting trip! Please make sure you have read all of the information that has gone out, so your children are properly equipped for the planned activities.

Bainesse School Swimming Sports

We were all exceptionally proud of the efforts of both our competitive swimmers and our younger students who gave a swimming exhibition as well. Demonstrating resilience, and not giving up when under a little pressure, are two traits we really encourage here at school. Both will stand our students in good stead in later life and both values were on show during our swimming sports.

We have some students who you would almost classify as 'part fish', they swim a lot in their spare time or they are involved in pursuits that include swimming, which has meant they have evolved into 'great swimmers'. We also have students who have worked hard on their stroke and stamina and who travelled to the sports with the aim of 'completing' their race. These students showed a lot of tenacity during their races to achieve their goals.

We constantly have lovely discussions in our staffroom about differing students who continue to 'raise the bar' with regards to all-round skill development, while displaying excellent personal values as well.

Small Schools Swimming Sports

A small team of competitive swimmers attended the Small Schools Swimming Sports in Rongotea and acquitted themselves exceptionally well! A large number of wins and placings were picked up and we will now wait and see who is selected for the Te Kawau Swimming Sports.

Summer Hockey begins with a bang!

Summer hockey has now been running for two weeks and all four of our teams have been displaying great skills and sportsmanship! We like to focus on player development and game understanding more than results, but all three have been remarkably good!

Whole School camp this Thursday!

Camp is always one of the main highlights of the year for our students. When you think back to your school days, it's normally one of those things that you remember fondly, and this camp will be no different for all of our students.

There are also so many personal values we can encourage through going on camp, most importantly that of resilience. Being out of one's 'comfortzone' now and then is healthy, and aids in preparing our children for obstacles they may encounter later on in life.

Our first Board Meeting of the year will be held on this date at 5.30 pm and anyone wanting to attend is most welcome.

TE KAWAU TRIATHLON

Week 8– Friday 22nd March

A team of students will venture to Sanson School to take part in a triathlon on this day.

BOARD OF TRUSTEES MEETING

Week 11– Tuesday 9th April (Note- change of date)

This is our second Board Meeting of the year at 5.30pm and anyone wanting to attend is most welcome.

EASTER HOLIDAYS

Weeks 9 & 10– Friday 29th March

Monday 1st April & Tuesday 2nd April

The Easter holidays are scheduled near the end of the term and will no doubt be a welcome break for our students.

JUNIOR TABLOIDS (TBC)

Week 10– Friday 5th April

On this Friday, our Juniors may be going on a trip to play Tabloid Sports (this will be confirmed closer to the date).

TERM ONE ENDS

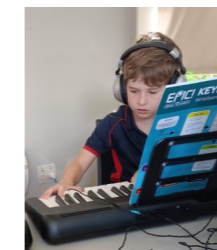

Week 11– Friday 12th April

This will be the final day of Term One.
