SCHOOL NEWS

Kia ora koutou katoa,

Greetings everyone,

The busy times that are created by Winter sports have almost finished for most, and it seems that a number of farming obligations may begin to lessen a little soon, as well. It's times like these that do make parenting a real 'juggling act', but your children will never forget their times on the turf, courts and fields with their teammates, so keep up the good work!

Te Kawau Soccer Tournaments

We have travelled to two soccer tournaments over the past two weeks and our students have enjoyed the 'kick around' against other schools.

Our Year 5-6 team made the semi-finals and went down to the eventual winners of their grade. The Year 7-8 team we sent along was full of younger students who managed a win and a one goal loss, which was also a great achievement.

Thanks to those parents that provided transport and supported our students on the sidelines!

Classroom movements

During the year there are occasions where we look to move students between our classrooms, based on a number of variables. We take a large number of factors into account before making these decisions, and base them on what we feel is beneficial for each individual. It is never as simple as 'plain academics' and instead in some cases 'social factors' are just as important i.e. which environment is a better fit at the current time. We will always consult and discuss these movements with you, before they occur.

Exciting week for our students next week!

Next week we have our Zero Waste Programme being run in school which is one that our students usually look forward to. Chris Symons delivers the environmental programme in a fun and stimulating way, which keeps our students interested while learning.

On Friday of next week the annual Rangitikei Tough Kids event will be run. We have had a team training for this event, three days a week since the beginning of this term. It's a fun day out with mud, obstacles, water slides, climbing walls and a lot of running in between!

A notice for this event will be in your child's bag if he/she has been part of the team that has committed to training for it.

Please return all sports uniforms given out for the soccer tournaments and hockey, by Wednesday of this week. Don't forget to give them a good wash so they are ready for the next student to use.

Thanks.
